Sydney's No. 1 Amiga Shop.

"Six reasons to love your Amiga" from *Egghead* - Sydney's No. 1 Amiga Shop

1 Now there's a shop in Sydney offering all the latest Amiga hardware and software for your machine, with the right advice and service to match. *Egghead* is open seven days a week, at convenient times - you can even drop in before or after work.

2 Amiga technology in 1993 will be the best yet. We will be the first with the new A1200 and A4000. At *Egghead,* we will help you ensure your investment is just right for you. And we will make sure your system works with the upgrades or add ons you're using.

3 Every month you're invited to attend a special event. You will see how your Amiga can perform better as both a creativity tool and entertainment device. These events are exclusive to *Egghead* - see your 1993 three-month planner on the reverse side of this page for these important dates.

4 Amiga software has never looked better. Professional wordprocessing, database and finance programs, or the latest in paint, animation and music software - whatever you need. *Egghead* will always have the latest - and if you need something out of the ordinary, we'll arrange it.

5 You can have confidence that should your purchase not be what you expected, or should you need repairs or support, *Egghead* will be here today and tomorrow with expert staff on hand to solve even the toughest problems.

6 Amiga remains the most powerful, best value for money, home and small business computer in the world. At *Egghead,* we're committed to building a reputation as Sydney's No. 1 Amiga shop - based on our service, range and support. So, come in and check us out.
